

Creative Confidence Classes

Is your child a bit shy and doesn't like speaking in front of others?
or are they outgoing and love to be centre stage?
or are they somewhere in between?

They will love The Brain Space's Creative Confidence Classes - designed to nurture and extend your child's confidence and creativity.

Join Melanie for 30 minutes of Creative Confidence at The Brain Space!

Melanie is all singing, all dancing but loves all sports and drama and acting too. She will be delivering a range of activities designed to develop, nurture and extend confidence in your child.

Drama and Performing arts activities, singing and dancing - lots of fun to inspire creative confidence in your child.

Melanie will do her best to tailor the program to what the students love! She can't wait to get stuck in and pass on her love for the performing arts to lots of lovely students!

About Melanie:

Melanie has danced all her life and after school and college she went onto train professionally for 3 years in Musical Theatre in the UK. She then went onto perform in a touring pantomime over the festive periods and teach for an award-winning theatre school. Melanie taught dance, singing and drama to ages 2-18 for 7 years before moving to Australia. Melanie loves all styles of dance from commercial to musical theatre to ballet! She loves keeping active and passing on her passion for the performing arts. She is excited to be working The Brain Space and can't wait to meet lots of new students!
